SEASON

# WELCOME

This handbook contains important information about the program. Please take time to read the handbook and keep it in a handy place for future reference. Suggestions for the Youth Orchestra Program are welcomed and encouraged. It is through thoughtful feedback that the program will continue to improve and grow.

# THE HISTORY OF YOUTH ORCHESTRA

The first local Youth Orchestra was founded in 1959. Since then it has evolved into an extensive program that offers young people a chance to participate in one of five orchestras, a summer music camp, an annual young artists competition and more.

The philosophy underlying the program is to involve all interested youth in classical and symphonic music, both as music-makers and audience members. Former participants have gone on to

join major orchestras, teach music, become administrators for musical institutions, and most importantly, join the ranks of knowledgeable members of the audience.

Conductors and coaches are selected from around the region and include certified music teachers and musicians from the Sarasota Orchestra.

# CONTACT US

The Youth Orchestra Offices are open Monday through Friday 8:30-4:30. The Education staff may be reached by phone or e-mail. Please understand that our duties often take us away from our desks or out of the office.

## SCHOOL MUSIC PROGRAM PARTICIPATION

Participation in the Sarasota Youth Orchestra Program is designed to enhance, not replace, school music instruction. School music programs provide essential daily ensemble and rehearsal instruction required for serious musical progress. Students who enroll in the Sarasota Youth Orchestra Program are required to participate in their school orchestra/band if one exists.

The Sarasota Orchestra believes that school music programs are vital to the development of young musicians – educationally, artistically and socially. By participating in school music programs, young musicians can serve as role models, receive leadership training and share their talents with others. School programs also provide other important opportunities such as access to All-State Band/Orchestras, Solo and Ensemble Assessments and performing in school productions.

When extenuating circumstances prevail which may prohibit or make a students' participation difficult in their school music program, a student may petition the Sarasota Orchestra for an exemption. To do so, a letter of explanation must be submitted with the Youth Orchestra application. The exemption request will be forwarded to the appropriate band/orchestra director for review and response. In cases when the exemption is not approved by the educator, the request will be reviewed by the Youth Orchestra Enrollment Review Panel. The panel will consist of a school music educator, a Symphony administrator and a non-partisan youth orchestra parent. It will be the responsibility of the panel to make a determination as to the feasibility of the request and provide a binding recommendation.

## ATTENDANCE

Once accepted and enrolled in the Youth Orchestra Program, you have made a commitment to regular attendance. The success of each ensemble depends upon the full participation of every musician.

- It is mandatory that every student check in prior to each rehearsal/concert.
- If you are absent from more than two rehearsals, your attendance record will be reviewed by artistic and administrative staff. Parent and student will be required to meet with administrative and conducting staff to review the attendance record and, if found to be unacceptable, may result in having to re-audition for the program.
- Absences must be communicated to the Education office in advance of scheduled rehearsal/concert dates, except in cases of illness. A "request for absence" form is available in the

Symphony Center lobby and online. A form must be completed and signed by the parent/guardian, then by the conductor and submitted to the Education office prior to any absence. Phone and email messages will be accepted in cases of emergency, but please be sure to fill out the form at the next rehearsal.

- Multiple absences caused by extra curricular school activities (sports, drama, etc.) must be approved in advance.
- Dress rehearsals are equivalent to concerts and excused absences are not readily granted. Should you need to be excused from a dress rehearsal, please discuss this with your conductor before submitting a form.

# REHEARSALS

It is expected that student musicians will arrive 15 minutes before rehearsal begins. This allows time for warm-up and tuning. Students should arrange for transportation from the rehearsal hall immediately following the conclusion of each rehearsal. Parents are welcome to observe Youth Orchestra rehearsals.

## EQUIPMENT & SUPPLIES

All Musicians should have a sharpened pencil in their music folder at all times.

String players - for orchestra consistency, string instruments (**including bows**) should be of traditional finishes. Always have a second set of strings, rosin and shoulder rest (if needed) at all rehearsals/concerts.

Wind/Brass players - always have at least two un-chipped extra reeds, slide grease or valve oil at all rehearsals/concerts.

Percussionists - bring the following mallets to all rehearsals/concerts:

1 pair Timpani Mallets 1 pair Drum Sticks (concert style; size 2B)

1 pair Yarn Mallets 1 pair Hard Plastic Mallets

1 Mallet Bag

## INSTRUMENT LOANS

Instrument loans are available to active members of the Youth Orchestra Program who need an instrument to enable them to participate in the Youth Orchestra Program. Instrument loans

are based on instrument availability and at the discretion of the Education office. A nominal fee is charged to assist with ongoing maintenance costs.

## MUSIC FOLDERS

At the beginning of the season, a music folder containing the compositions for your particular orchestra/ensemble will be made available. It is the responsibility of each musician to bring his/her music folder to every rehearsal and performance. Replacement music is not available to students who do not bring their music folder to a rehearsal/concert.

Keep track of all the parts assigned to you. Do not swap parts with your stand partner, as each part in the folder has a specific code for inventory purposes. You are ultimately responsible for all music that is assigned to you. Music folders must be returned at the end of the season. There will be a fee charged for each missing part and/or technique book.
